١-AGE RELATED CHANGES AND MELATONIN

Doha S Mohamed ; Soheir A Mohamed*& Faten M.Omran**
Zagazig J. Forensic Med. Toxicol.
Departments of Histology; Forensic Medicine and Clinical
Toxicology*& Pharmacology** , Faculty of Medicine, Sohag
University .

٢- The Protective Effect Of Vitamin E Against The Histological Changes Induced By Lead Acetate In Chromaffin Cells Of Adrenal Medulla Of Adult Male Albino Rats

Doha S. Mohamed * and Saied K. M. Belal**
* *Dept of Histology, Faculty of Medicine, Sohag University,
Egypt.*
***Department of Anatomy, Faculty of Medicine (Assiut branch)
Al-Azhar university, Egypt*

Presented in annual histology conference

٣-Effect Of Lead Acetate On The Histological Structure Of Adrenal Cortex Of Male Albino Rats And The Protective Effect Of Vitamin E

Doha .S. Mohamed and Kaled E. Abol Hagag
*Department of Histology, Forensic Medicine and clinical
toxicology Faculty of Medicine, Sohag University, Egypt.*
Presented in annual conference of faculty of medicine

٤-Protective Effect of Pomegranate Fruit Juice Against *Aeromonas hydrophila*-induced Intestinal Histopathological Changes in Mice

World Applied Sciences Journal ٧ (٢): ٢٤٥-٢٥٤, ٢٠٠٩
ISSN ١٨١٨-٤٩٥٢

¹Saied K.M. Belal, ²Ahmed H. Abdel-Rahman, ³Doha S. Mohamed,

⁴Hosam Eldin H. Osman and ⁵Nibal A. Hassan

¹Department of Anatomy, Faculty of Medicine (Assiut branch), Al-Azhar University, Egypt

²Department of Pathology, Faculty of Medicine (Assiut branch), Al-Azhar University, Egypt

³Department of Histology, Faculty of Medicine, Sohag University, Egypt

⁴Department of Anatomy, Faculty of Medicine, Al-Azhar University, Cairo, Egypt

⁵Department of Pathology, Animal Reproduction Research Institute, Giza, Egypt

⁶-Gastritis; *Helicobacter pylori* or *Giardia lamblia* Infection or Both?

Eman A. Sabet ¹, Hanaa A. El-Hady ², Doha S. Mohamed ³, Abeer Sheneef ⁴, Mona Fattouh ⁵, Mamdouh M. Esmat ⁶

¹Department of Internal Medicine, ² Department of Parasitology, ³ Department of Histology,

⁴ Department of Medical Microbiology & Immunology: Faculty of Medicine, Sohag University, Egypt

Egyptian journal of medical microbiology

⁷-Do Viscid Secretions Have a Role in Nasal Polyp Formation?

Annals of Otolaryngology and Rhinology

Ramadan Hashem Sayed, (MD) ,Eman E Abu-Dief, (MD) ,Doha

S. Mohamed, (MD)
